

## Press Release

October 2006

### **Afrimar Group Tunisia launches new Website**

A completely redesigned and enhanced web site was launched today by the Afrimar Group Tunisia. With a totally fresh appearance and format, the new web site contains more expanded information for prospective and current customers, while also being more visually appealing. The new web site can be viewed at <http://www.afrimar.com>.

“The Internet is an integral part of Afrimar’s plan to communicate mission-related activities and timely information to customers, media and the general public. This new web site makes it easy for anyone interested in the Afrimar Group to find information and answers to questions in a clear and user-friendly manner,” said Hassen Salah, Managing Director of Afrimar Tunisia. “Notable content changes include the addition of a Newsletter.”

The **Afrimar Group is specialised in the North African market for the last 30 years** and can offer cruise and shipping companies expertise and support in all North African ports in Morocco, Algeria, Tunisia and Libya. Afrimar has the know-how in handling cruise ships, passenger lines, cargo, tankers as well as yachts. Services include acting as port agency, organising shore excursions, crewing, project cargo services, conventional liner services, organisation of land transport, customs clearance formalities, depots for LCL cargo as well as assistance for special projects and special transport.

Afrimar has all North African contacts centralized in its head office in Tunis, Tunisia, which is well connected by Airlines to Europe and visitors do not need a visa to enter. Subsidiaries are located in Casablanca, Algiers, Sousse and Tripoli. For communications Afrimar has an updated and advanced computerized system in place to offer maximised network possibilities.
